

NEWSLETTER NO. 1

The memorable days in the Dolomites are not long over and yet INTERBOURSE 2019, at least from a planning point of view, is already imminent.

As you all know, we are meeting again for the 51st INTERBOURSE edition from

26 January 2019 to 02 February 2019

in Squaw Valley / California / USA

VENUE :

The Squaw Valley ski resort is located on beautiful Lake Tahoe. It is one of the most famous ski resorts in California and already made a name for itself in the 1960s when the Olympic Games took place there. With an area of 1,456 hectares spread over 170 slopes and six peaks, it is one of the **largest ski resorts in the USA**. With more than 300 sunny days a year and 11 metres of snow per season, Squaw Valley also offers the best weather conditions for skiing.

At www.squawalpine.com you will find detailed information about the ski area.

ACCOMMODATION :

Once again, the entire INTERBOURSE-COMMUNITY is housed under one roof, the Squaw Creek Resort.

After long and intensive negotiations with the management of the resort we are very pleased to be able to provide you with the following offers:

NEXT STEPS:

The prices mentioned above are net, i.e. all taxes and service charges as well as the resort fees are included. The registration fee is also part of the price package. Please have a look at the list above and choose the appropriate room category.

After the necessary technical modifications, registration via the website should be possible by the end of May. This also ensures that early decision makers among you can make use of the Early Bird offer.

As always, securing sponsors is essential for the success of Interbourse. We have spoken to a number of potential sponsors and we will continue to reach out to more prospects and participants for their direct support and ask for leads to potential sponsors who we are happy to contact.

If you have any questions, please do not hesitate to contact us.

More information will follow soon.

Kind regards
